

Vitela

A sample document

This file ships inside the app. It is here so you can scroll, search, and print straight away, with no document of your own required.

Vitela is Spanish for vellum.

Page two of three

Scrolling down rendered this page on demand.

Pages are rasterised only as they come into view,
so a long document opens as fast as a short one.

This page also mentions vellum.

Page three of three

Try the search box: look for the word vellum and step through the matches. Search is exact and case-sensitive on every platform.

Nothing here ever leaves your machine.
